3. Selected referrals (as directed), meaning general calls to Dr. ____ and OB's to Dr. ____.
4. Screening, based on your custom criteria.
5. Serve as an intermediary between patients and you by phoning you on your private, non-listed number.
6. State-of-the-art recording verification technology (Record/PlayTek).

Personal Service

1. Emergency family messages to you on vacation (even Europe).
2. Wake-up calls.
3. Messages to and/or from family members at any time.

Doctor:

The rate for your service is \$_____ per Subscriber, per Quarter. (Indianapolis Medical Society Members pay \$95.00 per month; non-members pay \$115.00 per month.) Also, all non-members who are not medical doctors must have their membership approved by the Executive Vice President and the Board of Directors of the Medical Society Exchange. The monthly charge entitles each member to 100 calls per month; calls over 100 will be charged at 40¢ per call.

If you need additional information, or have questions, phone us right away.

We appreciate your interest and look forward to including you and your practice among our Subscribers.

Rebecca L. Keller
Assistant to the Executive Vice President
